Application of Decorative Finishes

## *Our Process*

As a White Glove company, we deliver a seamless, elevated experience where every detail is expertly managed.

From the initial consultation to the final application, our dedicated team oversees material selection, logistics, and execution with precision and care.

We take pride not only in our craftsmanship but also in our respect for each space and our commitment to building lasting client relationships.

We are a Studio dedicated to the professional application of **HIGH-END MINERAL FINISHES** in Southern California.

*We care about what's essential.*

We specialize in the application of high-end Italian mineral finishes, including Venetian Plaster, Lime Wash, Roman Clay, and custom coatings.

We use premium, non-toxic materials and uphold the highest standards of craftsmanship to deliver refined and lasting finishes.

Collaborating with architects, designers, and developers, we create seamless, durable surfaces that enhance interiors and exteriors with precision and timeless quality.
